

LIVING WITH HIV/AIDS

HIV/AIDS does not discriminate--it affects all people, all races, all ages, all religions.

HIV/AIDS isn't the problem of any single group. We're all in this together:
Our Church has AIDS.

Join members of our Tucson community as they share their stories of living with HIV/AIDS.

**WORLD AIDS DAY
DECEMBER 1, 2010**

TIHAN Tucson Interfaith HIV/AIDS Network
a compassionate interfaith response to HIV/AIDS
